Most efficient documentation process, to facilitate the quick clearance of goods via an electronic customs clearance network.

FULL SERVICE SOLUTIONS

Quick, courteous, result-oriented service, providing the most modern and effective support.

Provisions of trucking and delivery service, to aid in the quick acquisition of goods.

BUSINESS SOLUTIONS

Rates are all – inclusive, affordable, reasonable and attached to a superior service from reputable and longstanding shipping lines and aircraft agencies.

Facilitation of trade consultation and outsourcing, with one invoice, one shipper and one agent, to avoid confusion and save time.

The pinnacle of our pride is the satisfaction that we see in every customer's face. Our company's mandate is to ensure that each person who walks through our doors leaves happier than they entered. Our staff is friendly, informed and dedicated to providing the most modern and result-oriented service possible. At Baron Shipping and Brokerage Incorporated, doing business with you is always a pleasure.

Customer Service with a Difference

We provide an experienced and technical team, ready to serve you and meet all your needs. We organize all arrival and clearance documents to help clear or export your cargo quickly and efficiently, with provisions for a landed cost, for better cost management. We will source, transport, clear and deliver your cargo, anywhere on island.

We Keep You Moving Forward

Baron Shipping and Brokerage Incorporated keeps you connected to and in pace with the globalized world. We provide the most modern services available, backed by an extensive and reliable array of shipping, aircraft agencies and related services, at an international standard.

Ship with Only the Best of the Best

We are the local agents for the 2008 Florida Customs Brokers and Forwarders Association's transportation firm of the year, SeaFreight Lines and SeaPack Incorporated, as well as one of the largest transportation companies in the world, Zim Lines.

SeaFreight is a more than 18 year old versatile shipping line, providing full access to the Caribbean, North, South and Central America. They facilitate the weekly shipment of dry and refrigerated FCL and LCL cargo, machinery and rolling stock, from Jacksonville, Port Everglades and over 20 other destinations.

SeaPack is a prominent shipping agency, serving the industry for over 10 years. They allow for the shipment of packages, consolidated LCL and FCL out of Miami, New York and Los Angeles. SeaPack has fully functional warehouses at each location to handle consolidations and transloads, as well as cargo storage, pick up and delivery.

Zim is a global integrated shipping line, in existence for over 65 years. They offer customized shipping with over 180 ports of call and a strong reputation for customer reliability, expertise and flexibility.
